PROFESSIONALS

CRIF people are committed to creating value, supporting businesses to perform better and consumers to manage their credit health with a comprehensive range of professional skills and solutions.

CRIF is committed to **digital financial inclusion**. We work responsibly to offer innovative solutions to support our customers to enhance access to credit in compliance, granting a digital access and use of financial services by excluded and underserved people.

From strategies to solutions, CRIF works alongside **banks and financial institutions, insurance companies, businesses, telco and media, and utility and energy companies** in every phase of the customer relationship to achieve growth, mitigate risk, reduce end-to-end processing costs and be compliant-ready. CRIF also offers services to **consumers** which are specially designed to help them take informed decisions in the credit and real estate markets. CRIF helps its customers to accurately **target, acquire and manage customers** through timely and reliable assessment of credit and commercial risks as well as marketing. CRIF's offerings also create value for **portfolio management**, through careful and constant asset monitoring, strategy definition for business expansion, and **debt collection**. The end-to-end credit value chain is supported by a software platform to effectively transform strategies into processes which achieve tangible results.

Thanks to its capability to develop long term partnerships with its clients, CRIF is the leader **in the provision of solutions for the retail and SME (small medium enterprises) markets in Italy and in several other countries** thanks to its credit bureaus which facilitate the credit underwriting process and credit access for households and businesses.

CRIF Ratings, a CRIF company, has been registered as EU-Credit Rating Agency. It provides opinions on non-financial companies based in the European Union. Quality and independence guide the agency's operations, benefiting the Italian and international financial community. CRIF Ratings has also been

recognized as an **ECAI** (External Credit Assessment Institution) in accordance with the European Regulation.

CRIF is the **leading provider in continental Europe of banking credit information**, one of the key players worldwide providing integrated services and solutions for business & commercial information and credit & marketing management, and is ranked 33rd in the prestigious **FinTech 100**, a ranking of the leading global technology solution providers to the financial services industry.

Today over **6,300 banks and financial institutions, 44,000 business clients** and **240,000 consumers** use CRIF services in **50 countries** on a daily basis.

In order to provide personalized and specific solutions, CRIF has **established specialized Divisions and specialized companies.**

CRIF Credit Solutions focuses on the design and development of **solutions for lending and credit management, fraud prevention** and **financial marketing**, cited by Gartner, Forrester, CEB TowerGroup and other independent research companies, an important recognition of the completeness and robustness of solutions and support offered by CRIF to its customers as they grow.

CRIF Property Valuation is a line of services for real estate appraisal in compliance with the most rigorous international criteria in order to meet banking and financial operators' and consumers' needs during the estate valuation process.

CRIF provides **business and financial information** services on an international level for commercial risk management and for marketing, as well as advanced systems for processing and information integration of large databases.

Through the **CRIBIS business information portals, which are specifically tailored for companies**, CRIF provides added-value reports on the economic, financial and corporate status of millions of companies worldwide.

CRIF also offers its expertise and information systems to **consumers** and assists them in making more secure decisions in credit and real estate markets.

CRIF WORLDWIDE

Since 1997, CRIF has been present in the UK with CRIF Decision Solutions Ltd., where, through the acquisition of Qui Credit Assessment Ltd. two years later, the Group has enhanced its facilities to Users, particularly in the areas of financial analysis, reporting and monitoring services. CRIF Decision Solutions Ltd. specializes in the design and development of customer database solutions, in particular in claim management and fraud detection solutions for **UK** insurance companies.

In 1999, CRIF extended its international presence in the United States by establishing CRIF North America Corp. based in Tampa (FL).

The strategic alliance with the American company TransUnion, leader in the NAFTA market, has given rise to two companies that specialize in providing custom and model-based business solutions in Mexico (TransUnion CRIF Decision Solutions S.A. de C.V.) and in Central and South America and Canada (TransUnion CRIF Decision Solutions LLC).

To consolidate its role and relationship with local financial institutions in strategic **Eastern European** markets, CRIF bought 100% of the stock in CCB - Czech Credit Bureau and later in SCB - Slovak Credit Bureau. The systems used by both the credit bureaus were set up and managed by CRIF and are based on EURISC - CRIF credit bureau.

In 2005, CRIF began its expansion also into the Russian market by founding the National Bureau of Credit Histories (NBCH), together with the National Banking Association (ARB) and some of the country's main banks. Today, the membership of the Russian credit bureau includes about 600 credit institutions. CRIF's direct presence in **Russia** was strengthened in 2007 with the establishment of OOO CRIF, located in Moscow, which offers services ranging from analysis to consultancy, outsourcing, and software solutions.

In 2006 CRIF expanded its presence in Eastern Europe by acquiring INFIN in the Slovak Republic, which provides added-value business information services on Slovak companies and municipalities. Since 2008, INFIN has been merged into SCB – Slovak Credit Bureau.

At the beginning of 2007, InfoData, founded in 1990 as a Department of the Polish Chamber of Commerce, became part of the CRIF Group. Since 2008, CRIF Sp. Z.o.o offers added-value business information services in **Poland**, providing high quality data and freshly investigated credit reports on any Polish and foreign companies worldwide, as well as analytics, consulting, outsourcing and software solutions.

Since early 2008 CRIF has strengthened its presence in the Americas through CRIF Corp. (based in Tampa, **USA**), Magnum (based in Atlanta, **USA**) and CRIF S.A. de C.V. (based in **Mexico City**), which provide decision support and software solutions to financial institutions, service providers and businesses.

In July 2008, CRIF has acquired Teres Solutions, based in Texas (**USA**). Teres Solutions develops direct and indirect lending software products that define the state-of-the-art for the financial institution market. In the course of 2009, CRIF acquired the Italian branch of Dun & Bradstreet (D&B). The creation of **CRIBIS D&B** reconfirms CRIF's growth and investment strategy in the field of business information, and is aimed at providing clients and the market with increasingly detailed information, as well as the skills and experience of D&B, one of the main business information operators in the world.

Also in 2009, CRIF strengthened its expansion in the **United States** by acquiring FLS services (based in Dallas, Texas), and Aimbridge Indirect Lending LLC and Member Lending Acceptance LLC (based in Denver, Colorado), which are companies specialized in indirect lending solutions. In China, CRIF established a new joint company together with HUAXIA International Credit Group, called Huaxia CRIF China, which provides advanced consumer credit information services, credit risk management and debt collection solutions to the **Chinese** domestic market.

Finally, in **Hungary**, CRIF Zrt., the newly formed CRIF Group company based in Budapest, has obtained a license from PSZAF, the Hungarian Financial Supervisory Authority, to establish the first entirely private and voluntary credit bureau in Hungary which will include both positive and negative credit information on individuals and businesses.

In 2010 CRIF has acquired APPRO Systems from Equifax, based in Baton Rouge, LA (USA). APPRO Systems is a leading provider of loan origination and account opening solutions for financial institutions in the **U.S.** During 2010 in **India** CRIF became partner of High Mark Credit and in **Vietnam** PCB chose CRIF as partner to develop the first world class credit bureau. According to the strategic partnership agreement in Vietnam, CRIF has become PCB's major shareholder.

In 2011 in the **U.S.** CRIF acquired Cypress Software Systems. Cypress provides an array of software and services that help financial institutions automate their loan application, underwriting and decisioning processes. In **China** CRIF established CRIF Beijing to provide credit risk management solutions to Chinese retail banks, consumers and auto finance companies. Moreover, CRIF acquired Deltavista's operations in **Switzerland** and **Austria**. Deltavista is one of the leading credit bureaus and risk management providers in German-speaking Europe.

In 2012 CRIF NM, a joint venture between CRIF and Neal & Massy, has obtained a license to establish a world class credit bureau and provide added-value services to **Jamaica** and the **Caribbean**. Moreover CRIF has opened a new office in Jakarta, **Indonesia**, to strengthen its expansion strategy in the Asia-Pacific region, and, as part of the Credit Information Bureau of Tajikistan (CIBT), it has obtained a license to establish the first credit bureau in **Tajikistan**. At the end of 2012, CRIF acquired a corporate group based in Istanbul, comprising Dun & Bradstreet Turkey, Finar and Kompas Turkey to strengthen CRIF's industry-leading position in the field of business and credit information and risk management solutions in **Turkey**.

In 2013, CRIF further strengthened its presence in the Asia-Pacific region with the opening of new offices in **Hong Kong** and the **Philippines**.

In 2014, CRIF expanded its operations in **Turkey** with the acquisition of a majority share in Recom, a leading player in the debt collection sector and acquired OFWI - Teledata from Axon Active Holding AG to strengthen its leading position in the credit industry in **Switzerland**. Then CRIF acquired a majority stake in High Mark Credit Information Services, a leading credit information company providing credit information to the microfinance, retail consumer, MSME and corporate borrower sectors in **India**. Moreover CRIF acquired Dun & Bradstreet UAE in Dubai, the leading data and business information provider in the **United Arab Emirates**.

At the beginning of 2015, CRIF was selected by the Central Bank of **Ireland** as its partner to establish and operate the Central Credit Register. Specifically, CRIF Ireland Limited, a CRIF Group company based in Dublin, will manage the different phases of the project.

Moreover, CRIF acquires 30% shares of Nomisma, which is an independent company carrying out economic research and consultancy in **Italy** for businesses, associations and public administrations on a national and international level.

In 2016, in **Germany** CRIF acquires Bürgel, a joint venture between Euler Hermes, a worldwide leader in trade credit insurance, and EOS, an international provider of financial services. CRIF further reinforces its business in **Germany** and **Poland** by acquiring Deltavista's operations, leading providers of credit bureau data and risk management services. Moreover, CRIF acquires Microfinance Technologies Center in **Russia**, a growing industry player in the delivery of credit risk assessment services for the microfinance sector, and strengthens its presence in the Asian market by taking over CCIS-China Credit Information Service, a major credit information agency based in **Taiwan**.

CRIF partners with Mitigan to develop the first full-fledged credit and insurance bureau in **Tunisia** collecting information from eligible Tunisian lending institutions, insurance companies, telcos, utilities and micro-finance organizations.

In 2017, CRIF strengthens its positioning in **Jamaica** by acquiring all shares in CRIF NM Credit Assure Ltd. to further support financial institutions and lending organizations with integrated and comprehensive credit solutions.

In **Russia**, CRIF acquires the activities of Luxbase LLC, a company that provides software to banks, microfinance organizations and utility companies for the automation of debt collection processes.

Furthermore, CRIF continues its expansion in the Far East thanks to the acquisition of 100% of PT VISI in **Indonesia**, a company specializing in business information services, and through two start-up companies in **Singapore** and **Malaysia**, offering consultancy services, software and innovative solutions for credit management.
