All Scheduled Commercial Banks All India Financial Institutions Credit Information Companies

Dear Sir / Madam

Reporting of Information on Investment in Commercial Papers and Unhedged Foreign Currency Exposures of the Borrowers to Credit Information Companies

Please refer to our <u>circular DBOD.No.CID.BC.127/20.16.056/2013-14 dated June 27, 2014</u> advising banks to implement certain recommendations of the Committee to Recommend Data Format for Furnishing of Credit Information to Credit Information Companies (Chairman: Shri Aditya Puri) constituted by the Reserve Bank of India (RBI).

2. The recommendations that remain to be implemented relate to reporting of information concerning (i) investment of banks and All India Financial Institutions (AIFIs) in Commercial Papers (CPs) - Recommendation No.8.6, and (ii) Unhedged Foreign Currency Exposures (UFCE) of borrowers of banks and AIFIs - Recommendation No.8.14. The feasibility and operationalization of the collection and dissemination of information relating to these two items were examined in depth by the Technical Group on Credit Information set up by RBI and coordinated by CIBIL.¹

¹ Technical Group on Credit Information coordinated by CIBIL was set up by RBI based on recommendations of Aditya Puri Committee on Data Format for Furnishing of Credit Information to Credit Information Companies to review and suggest improvements to data formats. It has representation from all categories of banks, IBA, NBFCs and the CICs.

It has been decided to capture the information on CPs and UFCE taking into account

the inputs provided by the Technical Group.

3. The information on CPs issued by the companies shall be reported on a monthly

basis to all the four credit information companies (CICs) by the bank which has been

designated as the Issuing and Payment Agent (IPA) for the particular CP issue.

However, if there are multiple IPAs for a single CP issue, they shall report to the

CICs the details pertaining to the portion of the issue which is with them. This

information shall be reported in the Commercial Data format in the fields given in the

Annex. The IPA shall also report any default in the redemption of the relevant CP

issue. It is clarified that the investing credit institutions need not report the

information on CPs to the CICs.

4. The information regarding UFCE of individual borrowers shall be reported on a

quarterly basis to all the four CICs by the lending bank (in the case of solo lenders)

/consortium leader (in the case of consortium arrangements)/largest lender (in the

case of multiple lending arrangements). This information shall be reported in the

Credit Facility (CR) Segment of Commercial Data format in the fields given in the

Annex.

5. The reporting requirements set out above shall be effective from July 1, 2016 i.e.

from the credit information reports showing the position for the month of June 2016.

6. These instructions are being issued under sub-section (1) of Section 11 of Credit

Information Companies (Regulation) Act, 2005.

Yours faithfully

(Rajinder Kumar)

Chief General Manager

Format for reporting information on investment in Commercial Papers and Unhedged Foreign Currency Exposures of the borrowers to Credit Information Companies
